MRT Supporting Housing Programs

- Capital Funding: SHOP
- Sister Agencies: AIDS Institute, OASAS, OPWDD, OMH, OTDA
- Access to Home for Medicaid
- Empire State Supportive Housing Initiative
- Rapid Transition Housing
- Olmstead Housing Subsidy
- Health Homes Supportive Housing

Olmstead Housing Subsidy Program

- Assists elderly or chronically disabled adult Medicaid members who have spent at least 120 consecutive days in a skilled nursing facility over the most recent two-year period
- State-wide program provides the following services to help participants live safely and independently in the community:
 - Community Transitional Services (CTS)
 - Environmental modifications
 - Rental subsidies
 - One-time assistance
- Program began in 2016
- 270+ participants housed to-date

Olmstead Housing Subsidy Program – Salient Results, Pre-Post

6 month pre-post comparison for individuals enrolled in March, June, and September 2017 with Medicaid coverage in at least 5 of 6 months pre- and post

 Average 6-month savings **-\$13,828 (33% decrease)** 

ENROLLMENT MONTH (2017)	MA + ENC TOTAL PD (PLAN REPORTED W/O MC CAP) PRE PERIOD	MA + ENC TOTAL PD (PLAN REPORTED W/O MC CAP) POST PERIOD	DIFFERENCE	CHANGE (%)	AVERAGE SAVINGS (6 months)
MARCH (n=7)	\$305,905.81	\$264,026.31	-\$41,879.50	-14%	-\$5,982.79
JUNE (n=15)	\$633,449.63	\$356,067.73	-\$277,381.90	-44%	-\$18,492.13
SEPTEMBER (n=19)	\$756,985.65	\$509,291.24	-\$247,694.41	-33%	-\$13,036.55
TOTAL	\$1,696,341.09	\$1,129,385.28	-\$566,955.81	-33%	-\$13,828.19

Health Homes Supportive Housing Program

- Rental subsidies and supportive services for homeless or unstably housed Health Homes enrollees
- 2014-2018: 10 nonprofits housed over 430 individuals
- Re-procured 2018 with new eligibility criteria effective 10/1. Require one of the following in the past 12 months:
 - 2+ hospital inpatient stays
 - 5+ emergency department visits
 - 1 inpatient and 4 ED visits
 - Medicaid spending in the top 20% of recipients with similar diagnoses in the same county

Health Homes Supportive Housing Program: SUNY Evaluation Findings (Pre-Post)

Methods:

- 319 enrollees through September, 2016
- 12 months pre-enrollment vs. 12 months post-enrollment

Findings:

- Average **inpatient days** decreased from 14.7 to 8.5, or **-42%**
- Average **emergency department** visits decreased from 6.2 to 3.9, or **-37%**
- Average Medicaid **healthcare expenditures** down by **-\$5,489**, or **-16%**
